

A Long Way To Go

Greetings to you all in the precious name of Christ! For a few weeks, the mask regulations have been relaxed, and we felt happy. However, the reality is right around the corner, and we await the CDC imposing more restrictions due to the third wave of COVID-19: the Delta variance. It looks like we may have to learn to live with this virus, like they do on the other side of the globe with typhoid and malaria fever, despite vaccinations for these illnesses being available for quite some time.

As of August 10, 2021, India has had 31,998,158 confirmed cases and 428,682 deaths due to COVID-19, though in the past 4-6 weeks, deaths have decreased to 370 per day.

Nevertheless, the reality is that Jesus is coming soon and His arrival is imminent! In spite of the COVID-19 variances, both now and in the future, the commission of Jesus always stands. We

thank you for your on-going prayer and support, as over the past year we continued with food and grocery distributions and sharing the gospel of Jesus Christ. Please click [**July food distribution photos**](#) to see photos taken during the month of July 2021.

PPMI's annual Take-Out Banquet is scheduled for October 2, 2021 at Souderton Mennonite Church. Details will follow in a few days.

May God richly bless you all!
